

Library Help Sheet

Using the *EBSCO* and *ProQuest* Databases

Bookmark the Library Catalogue

<https://morling.softlinkhosting.com.au/liberty/libraryHome.do>

On the Library Catalogue page, scroll down until you see the **Journals** box and click on the *EBSCO* link.

JOURNALS

There are 2 sources of journals in Morling Library...

1. Hard copy journals in the Library Journal Room--searchable by journal title in the Library Catalogue
2. Electronic Journals, our main databases of electronic journals are through **EBSCO** and **ProQuest** but we have a variety of individual subscriptions that can be found via journal title on the Library Catalogue or through the **OpenAthens portal**

1. If you are using your own device and are off-campus, you will be presented with an *OpenAthens* or *EBSCO* login. If you have already logged in to *OpenAthens* in the same session or are on-campus, you may go straight to the *EBSCO* search engine.
2. The process for *ProQuest* is the same as for *EBSCO* using the *ProQuest* link in the Journals box.

3. An alternate way to access *EBSCO* and *ProQuest* is to use the *OpenAthens* (OA) portal link in the Journals box. Once logged in to OA, use the links in the portal.

The screenshot shows the MyAthens library portal. The 'Databases' section is highlighted with a red arrow pointing to the 'EBSCO Databases, eBooks, and Journal Collections' link. The 'Resources' section lists various journals and databases. The 'Account Summary' section shows the account expiration date as 27 March 2019.
