

Sometimes the juggle of student life and 'other' life is a hard one.

Sometimes life throws a curve ball, and what you thought was stable and sure, is now very unstable.

Sometimes relationships hurt.

Sometimes you just can't figure out what is 'next'.

Sometimes you need a non-judgemental, affirming, and kind space to be heard as you work through issues of vulnerability or confusion.

Professional Counselling Services

Our counsellors are adept at offering a warm, authentic, empathic and safe relationship in which you can work together to bring about healing and relief.

Our Master of Counselling Interns are highly trained, under full supervision and are available by appointment during office hours from Monday to Friday in the Counselling Centre on the Morling Campus. They are available to see all students at Morling College or residents of the MRC at the affordable rate of **\$15 per session**. Further discounts are available as our desire is to turn no one away; please discuss at the time of booking.

Please contact us.
